

QUALITY, SAFETY AND POLLUTION PREVENTION POLICY.

In Panama Shipping Registrar Inc, we value our clients, personnel and interested parties, and our priority is to give them the confidence in our ability to perform training, class, statutory certification and services, reason why we are committed with:

- Full Compliance of regulations being from PSR, Flag State Administration or International Conventions or Laws.
- Providing adequate training to our personnel.

In order to achieve this purpose we have implemented a Quality Management System based on ISO 9001 standards whose main principles are customer satisfaction and continual improvement, and are the basis for the implementation of the MSC 349(92) which governs our activities with the highest standards with particular emphasis upon safe working practices for preventing loss of human life and personal injuries, avoiding any damage to the marine environment.
